Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
27th Floor 2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Independent Electricity System Operator ("IESO")
2018 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No.: EB-2018-0143**

The Independent Electricity System Operator ("IESO") is writing to file interrogatory responses ("IRRs") in accordance with the Ontario Energy Board's ("OEB") Decision on Issues List and Procedural Order No. 2 dated June 30, 2018.

At times, interrogatories have raised issues which the IESO believes to be beyond the scope of this proceeding. The IESO has, in these cases, provided responses in an effort to be of assistance to the parties. The fact that the IESO has provided an answer to these interrogatories should not be taken as any indication that the IESO considers these areas of enquiry to be appropriate for the revenue requirement proceeding.

The IESO has included an updated exhibit list with its filing. The IRRs have been organized and filed by issue according to the OEB's Decision on Issues List; the updated exhibit list and the chart below help to illustrate this. The Tab of each IRR represents the issue, while the Schedule represents the intervenor and the interrogatory number. For example: Exhibit I, Tab 1.1, Schedule 2.03 AMPCO 3 represents the IESO's response to AMPCO's Interrogatory 3, based on Issue 1.1.

Schedule numbers have been assigned to intervenors as follows:

Intervenor	Schedule #
OEB Staff	Schedule 1
AMPCO	Schedule 2
CME	Schedule 3
ENERGY PROBE	Schedule 4
ED	Schedule 5
HQEM	Schedule 6
OSEA	Schedule 7
SEC	Schedule 8

SOCIETY	Schedule 9
VECC	Schedule 10

Yours truly,

Tam Wagner
Senior Manager, Regulatory Affairs
