LETTER OF DIRECTION

Dear Mr. Giddings:

**Re: Lakefront Utilities Inc. (Lakefront Utilities)
Application for 2019 Rates
Ontario Energy Board File Number: EB-2018-0049**

On September 5, 2018, the Ontario Energy Board (OEB) issued its Notice of Hearing (Notice) in the above referenced application and directed Lakefront Utilities to serve the Notice on parties identified in the OEB's Letter of Direction.

The OEB has determined that two additional parties must also be served. The OEB therefore directs Lakefront Utilities to immediately serve the Notice on the two General Service customers who are currently in discussion with Lakefront Utilities regarding combined heat and power projects and may be affected by the standby charge proposed in Lakefront Utilities' rate application. **Although the Notice states that the last date for requesting intervenor status is September 16, 2018, the parties have until October 1, 2018 to apply for intervenor status.**

You are directed:

1. To immediately and no later than September 20, 2018, serve a copy of this letter, the enclosed Notice, the application and the evidence on the two General Service customers who are currently in discussion with Lakefront Utilities regarding combined heat and power projects, as referenced in Lakefront Utilities' application on page 28 of the Manager's Summary.

2. To file with the OEB, in both electronic and hard copy format, affidavit evidence proving completion of the matters in paragraph 1 above immediately thereafter, with the original courier confirmation receipts attached as appendices.

Please note that you must complete service **by September 20, 2018**. If service cannot be completed by September 20, 2018, you must inform the Registrar immediately at Registrar@oeb.ca.

You are further directed not to include any documents or materials when serving the Notice, the application and the evidence other than documents or materials expressly required by this letter of direction to be served.

Yours truly,
