Union Gas Limited

**Application for disposition and recovery of certain 2017
deferral account balances and approval of the earnings
sharing amount**

**PROCEDURAL ORDER NO. 2
September 18, 2018**

Union Gas Limited (Union) filed an application with the Ontario Energy Board (OEB) on June 6, 2018 for approval to dispose of and recover certain 2017 deferral account balances. The total net balance of these deferral accounts is a debit of \$2.2 million.

Union has indicated that its 2017 actual utility earnings did not exceed the threshold established in Union's 2014-2018 Incentive Regulation proceeding¹ and therefore there is no sharing of earnings with ratepayers.

In accordance with Procedural Order No. 1, a settlement conference was held on September 4 and 5, 2018. By letter dated September 12, 2018, Union advised the OEB that there was no settlement proposal resulting from the settlement conference. Union requested that the OEB provide the opportunity for written submissions from intervenors and OEB staff followed by a reply submission.

It is necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.

THE ONTARIO ENERGY BOARD ORDERS THAT:

1. OEB staff shall file written submissions with the OEB, and deliver them to Union and intervenors, on or before **October 3, 2018**.
2. Intervenors who wish to make written submissions shall file such submissions with the OEB, and deliver them to Union and other intervenors, on or before **October 5, 2018**.

¹ EB-2013-0202.

3. If Union wishes to reply to the submissions of other parties, the reply shall be filed with the OEB and delivered to intervenors on or before **October 19, 2018**.
