Re: DSM Mid-Term Review (EB-2017-0127 and EB-2017-0128)

By letter dated August 15, 2018, the OEB established September 28, 2018 as the deadline for submitting written comments from parties to the DSM Mid-term Review process. Certain parties requested that the OEB establish a second date by which all parties could respond to any of the comments that are submitted on September 28, 2018.

Given the nature of the DSM Mid-term Review, the OEB has determined that it is not necessary to have a second round of comments. Comments from all parties to the process are due on or before September 28, 2018.

If you require any additional information related to the DSM Mid-Term Review, please contact the Case Manager, Josh Wasylyk at josh.wasylyk@oeb.ca.
