

Energy+ Inc.

**Application for electricity distribution rates and
harmonizing rates and charges in the Cambridge and
North Dumfries and Brant County service areas
beginning January 1, 2019**

**PROCEDURAL ORDER NO. 2
September 20, 2018**

Energy+ Inc. (Energy+) filed a cost of service application with the Ontario Energy Board (OEB) on April 30, 2018 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Energy+ charges for electricity distribution, to be effective January 1, 2019.

A Notice of Hearing was issued on May 28, 2018. Procedural Order No.1 was issued on July 26, 2018.

On September 17, 2018, Toyota Motor Manufacturing Canada Inc. (TMMC) filed a letter to advise the Ontario Energy Board (OEB) that it intends to file written evidence in the above noted proceeding. As part of the letter, TMMC requested an extension of the September 24, 2018 deadline to file its evidence as set out in Procedural Order No.1. TMMC stated that it would not be able to file its evidence until they have seen responses to clarification requested by TMMC from Energy+.

By letter dated September 18, 2018, Energy+ objected to TMMC's request for an extension of the timelines to file intervenor evidence. Energy+ stated that it would be willing to accept a compromise on the basis that other parties would not be adversely affected and the balance of the dates in Procedural Order No.1 would not be changed. Energy+ also committed that it would provide responses to the additional TMMC clarification questions by September 19, 2018.

TMMC filed another letter on September 19, 2018 requesting to amend the date for filing its evidence from September 24, 2018 to September 27, 2018.

Findings

The OEB notes that Energy+ filed responses to TMMC's additional clarification questions on September 19, 2018 as promised. Therefore, the OEB finds that the three-day extension proposed by TMMC to the deadline of filing its intervenor evidence is reasonable.

IT IS THEREFORE ORDERED THAT:

1. TMMC shall file its written evidence with the OEB, copied to Energy+ and other intervenors, by **September 27, 2018**. The rest of the timelines set out in Procedural Order No.1 remain unchanged.
