Dear Ms. Walli:

**Re: Independent Electricity System Operator
2018 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No.: EB-2018-0143**

The Independent Electricity System Operator (“IESO”) is writing to inform the Ontario Energy Board (“OEB”) that it has reached a complete settlement in principle with intervenors, and parties are continuing to work towards finalizing the settlement proposal.

The IESO is therefore, requesting OEB approval of an extension to October 2, 2018 from the filing date of September 27, 2018 that was established in Procedural Order No. 1 to file its settlement proposal.

The IESO believes that the additional time provided by this extension will be sufficient for parties to complete the final settlement proposal.

The IESO appreciates the OEB’s consideration of this request.

Yours truly,

Tam Wagner
Senior Manager, Regulatory Affairs
