Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor, P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Walli,

Re: Application by Ontario Power Generation Inc. for an order or orders approving a payment amount for hydroelectric generating facilities prescribed under Ontario Regulation 53/05 of the Act, as amended, and the disposition of balances in its deferral and variance accounts as of December 31, 2017 (EB-2018-0243)

We are retained to act as counsel to Power Workers' Union ("PWU"). We are responding to the Board's Notice regarding this Application.

By way of this letter, the PWU is requesting Intervenor status in the Board's proceedings with respect to the above-noted application. As the Board is aware, the PWU represents a large portion of the employees working in Ontario's electricity industry. Attached please find a list of PWU employers.

The PWU was a full-time intervenor in OPG's previous payment amounts application (EB-2016-0152). The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU's concern continues to be OPG's ongoing ability to maintain and invest in its assets in a manner that ensures their long term reliable and safe operation, as well as the safety of OPG's employees.

The PWU has retained Richard Stephenson of Paliare Roland for legal representation and Bayu Kidane and Kim McKenzie of Elenchus Research Associates as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
