Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street

Dear Ms. Walli:

**RE: Energy+ Inc. ("Energy+") 2019 Cost of Service Application;
Board File No.: EB-2018-0028; TMMC Request for Confidentiality**

We are writing on behalf of Toyota Motor Manufacturing Canada Inc. ("**Toyota**") and in accordance with the Ontario Energy Board's ("**Board**") Practice Direction on Confidential Filings ("**Practice Direction**").

On Friday, September 28, 2018, TMMC filed an electronic (i.e., workable) excel version of Schedule JP-5 of the Written Evidence of Jeffry C. Pollock, which schedule had been included in the Written Evidence of Mr. Pollock that was filed with the Board on September 27th. The excel version of Schedule JP-5 includes information regarding TMMC's consumption history and load profile which is commercially sensitive and has commercial value. The public disclosure of this information could adversely affect the economic and/or competitive interests of TMMC, potentially resulting in undue financial loss. Accordingly, TMMC requests that the excel version of Schedule JP-5 be held in confidence and not included in the public record of this proceeding.

Yours very truly,

Dentons Canada LLP
