Dear Ms. Walli,

EB-2017-0049 - Joint Use Telecom Charge (Rate Code 30) – Response to Procedural Order No. 9 dated September 26, 2018 (PO9)

Hydro One Networks Inc. (Hydro One) is in receipt of PO9 in which the Ontario Energy Board (OEB) agreed to hear Rogers Communications Canada Inc.'s (Rogers) motion requesting an order compelling Hydro One to respond to certain interrogatories and an order that a technical conference be held. The OEB also granted Hydro One the opportunity to file responding motion materials by October 5, 2018.

Hydro One will not be filing responding materials as it has already indicated its position on the relevance of the interrogatories in question. To facilitate an efficient hearing of this matter, Hydro One requests that Rogers provide written reasons in advance of the hearing as to how its interrogatories are relevant.

Sincerely,

signed in the original

George Vegh
