Dear Ms. Walli:

Re: Enbridge Gas Distribution Inc. ("Enbridge")
2017 Earnings Sharing and Deferral and Variance Account
Clearances Application ("Application")
Ontario Energy Board ("Board") File Number EB-2018-0131
Confidential Document associated with Settlement Proposal

On October 3, 2018, Enbridge filed the Settlement Proposal for the above noted proceeding.

Issue 1(h) of the Settlement Proposal addressed the 2017 Storage and Transportation Deferral Account. As seen in the write-up of that item, the parties agreed that Enbridge would provide the OEB with a complete record of relevant information related to Enbridge's procurement of market-based storage in 2017. In that regard, Enbridge provided information and documents as Appendices B and C to the Settlement Proposal. Enbridge also indicated that there was a spreadsheet associated with the Appendix C document which contains confidential and commercially sensitive information. With the agreement of all parties, Enbridge agreed to file that document confidentially with the OEB, pursuant to the OEB's Practice Direction on Confidential Filings.

With the paper version of this letter that is being filed with the OEB, Enbridge is providing the spreadsheet associated with Appendix C to the Settlement Proposal. Given the confidential and commercially sensitive information set out in the spreadsheet which information might, if made public, compromise Enbridge's commercial position in respect of future storage procurements and related negotiations which would not be in the best interests of either Enbridge or its ratepayers, Enbridge requests that the OEB treat this document as confidential, pursuant to the OEB's Practice Direction on
