Dear Ms. Walli:

**Re: EB-2018-0235 EPCOR Natural Gas Limited Partnership ("EPCOR")
Settlement Conference Scheduling Request**

In response to Procedural Order No. 1 issued September 19, 2018, EPCOR has determined that a key member of its team is out of country and will be unable to attend the Settlement Conference scheduled for November 12 and 13, 2018. EPCOR proposes that the date of the Settlement Conference be rescheduled to November 5 and 6, 2018. This would require that the scheduled date for filing a proposed issues list be advanced from November 5, 2018 to later in the week of October 29, 2018. EPCOR has been in contact with representatives of IGPC Ethanol Inc./Integrated Grain Processors Co-operative and Vulnerable Energy Consumers Coalition and understand that they are in agreement with this proposed change in the schedule.

EPCOR appreciates that this proposed change would be made to accommodate EPCOR's schedule and that it may be difficult to reserve a settlement room for November 5 and 6. In order to address that potential issue, EPCOR's external counsel, Osler, Hoskin & Harcourt LLP, has indicated it can provide a settlement room. Osler is located at 100 King Street West, 1 First Canadian Place in Toronto, Ontario.

If you have any questions regarding the above, do not hesitate to contact me.

Sincerely,
