Attention: Kirsten Walli,
Board Secretary

Dear Ms. Walli:

Re: EB-2017-0306/EB-2017-0307: Union Gas - Comments on Cost Claims

While BOMA agrees that in assessing the cost claims the Board can have regard to the average amount of the cost claims, the calculated average of the cost claims should not be the most important factor. Submissions are individual in nature. They address more or less issues, and they are all different. The main focus should be on determining the value of the intervenors' submissions to the Board, regardless of whether the cost claim is above or below the average.

Yours sincerely,

FOGLER, RUBINOFF LLP
