Dear Kirsten:

SUBJECT: Union Gas Limited Chatham-Kent Rural Project (EB-2018-0188)

Medisun Inc. has been informed by Union Gas Limited that the Natural Gas Grant Program (“NGGP”) Funding through Ministry of Infrastructure is no longer available for the Chatham Kent Rural Project.

Medisun Inc. and Union Gas remain committed to this project, are actively working together on solutions that will make this project feasible without the NGGP funding.

Medisun Inc. would request that the Ontario Energy Board proceed with issuing notice on this project in order to preserve the November 1, 2019 in service date. Medisun Inc. has made contractual and financial commitments that are reliant on that in service date.

Should you have any questions on the above please contact me at 519-809-6510.

Sincerely,

A handwritten signature in blue ink, appearing to read "Art Caron".
