Re: Lakefront Utilities Inc. Procedural Order No. 1

Dear Ms. Walli:

On October 22, 2018 Lakefront Utilities Inc. (LUI) received a letter from the Ontario Energy Board (the Board) advising the utility of the procedures related to its application for electricity distribution rates and standby charges effective January 1, 2019.

Included in Procedural Order No. 1 is the requirement for Lakefront Utilities to file a written reply submission with the OEB and deliver it to all other parties by November 7, 2018. Due to a scheduling conflict, LUI requests that the OEB amend the scheduled date to November 9, 2018.

Should the board have questions regarding this matter please contact me at agiddings@lusi.on.ca.

Respectfully Submitted,
