Dear Ms. Walli:

**Re: Application by Alectra Utilities for 2019 Rates and Incremental Capital Funding (EB-2018-0016)**

We are counsel to Alectra Utilities in the above noted matter. We are in receipt of the Follow-Up questions filed by SEC on October 11, 2018 and write in relation to those questions.

By Procedural orders No. 1 and 2, the Ontario Energy Board set a schedule for interrogatories, responses to interrogatories and a settlement conference. Alectra Utilities received interrogatories from all parties including SEC and provided full and complete answers as contemplated by the OEB's Rules of Practice and Procedure. While SEC's questions were delivered outside of that schedule in the interest of moving this matter forward as efficiently as possible, we attach answers to SEC's questions together with certain other supplementary answers to interrogatories.

Yours truly,

Crawford Smith
