Dear Ms. Walli:

**Re: Algoma Power Inc. ("API")
2019 IRM Distribution Rate Application (EB-2018-0017)
Response to OEB Staff Interrogatories**

Please find accompanying this letter, two (2) copies of the API's responses to interrogatories posed by Board staff.

A PDF version of these responses, along with a revised version of the OEB's 2019 IRM Rate Generator Model and GA Analysis Workform, will be filed via the Board's Regulatory Electronic Submission System. The IRM Rate Generator Model will require further updates to reflect the final inflation factor for 2019 IRM applications, once determined by the Board.

If you have any questions in connection with the above matter, please do not hesitate to contact the undersigned at (905) 871-0330 extension 3278.

Yours truly,
