Dear Ms. Cooper and Mr. Cass:

**Re: Leave to construct applications filed by NextBridge and Hydro One
(EB-2017-0182/EB-2017-0194/EB-2017-0364)**

The Ontario Energy Board (OEB) is in receipt of today's letter from Hydro One requesting an extension of the time to file reply submissions. Based on the expectation that the Ministry of the Environment, Conservation and Parks will file a response to the OEB's November 1, 2018 letter by tomorrow, the OEB extends the deadline for both Hydro One and NextBridge to file their reply submissions until November 9, 2018.

Yours truly,

Board Secretary
