Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, Suite 2701
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Energy+ Inc. 2019 Rate Application (EB-2018-0028)
Settlement Update**

Pursuant to Procedural Order No. 1 in the above noted matter, if there is no settlement proposal arising from the Settlement Conference, Energy+ shall file a statement to that effect with the OEB by November 14, 2018, and the parties shall file and serve on the other parties by November 16, 2018 any submissions on which issues shall be heard in writing, and for which issues the OEB should hold an oral hearing.

Energy+ is writing to notify the Board that despite their best efforts, the parties have not yet arrived at a settlement of the issues in this proceeding. However, the parties are continuing diligently to pursue a potential settlement. Energy+ is hopeful that if the Board were to allow additional time, this may result in a potential settlement of some or all of the issues in this proceeding. For this reason, Energy+ requests that the Board extend the times set out in paragraphs 13, 15 and 16 of Procedural Order No. 1 by 1 week, such that:

- Notice of no settlement would be made on November 21, 2018 with parties making submissions on whether the remaining issues should be heard in writing or orally by November 23, 2018.
- Any potential settlement proposal would be filed on or before December 5, 2018.
- Staff submissions would be still due 7 days after any potential settlement proposal is filed.
- The tentative date for the oral hearing to hear any settlement proposal, as well as a summary of the unsettled issues, would be deferred to ensure the Board panel and parties have adequate time to consider any potential settlement proposal as well as staff's submissions.

The parties that have actively participated in settlement discussions have consented to the submission of this letter.

Yours very truly,

BORDEN LADNER GERVAIS LLP
