Dear Ms. Walli,

**RE: Whitby Hydro Electric Corporation – 2019 Rate Application
(EB- 2018-0079) – Extension Request for Interrogatory Responses**

Whitby Hydro Electric Corporation ("Whitby Hydro") received interrogatories from OEB Staff on November 7, 2018. There are no other intervenors in the proceeding. In accordance with Procedural Order #1, responses from Whitby Hydro were due on November 14, 2018.

The one week timeframe provided did not allow sufficient time for Whitby Hydro to prepare responses to questions related to Appendix B – Account 1576 Final Disposition Methodology. The interrogatories require a forecast for Account 1576 for an additional ten year timeframe (2019 to 2028) which was not part of the test year approach proposed in Whitby Hydro's application.

On this basis, Whitby Hydro requests a one day extension to November 15, 2018 for filing its interrogatory responses.

Procedural Order #1 outlined a Settlement Conference date of November 21, 2018. Whitby Hydro respectfully asks that the Board confirm that the Settlement Conference can proceed as scheduled or advise otherwise.

Please contact me if you have any questions.

Regards,
