Dear Ms Walli:

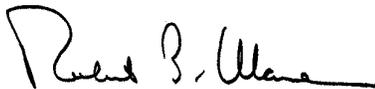

EB-2017-0182, EB-2017-0194, EB-2017-0364/Combined Proceeding

We are counsel to Hydro One Networks Inc. in this matter.

In paragraph 2 of our client's Response, we neglected, through inadvertence, to include in the list of the parties from whom written arguments had been received, the Long Lake #58 First Nation, the Batchewana First Nation, and the IESO. Notwithstanding the failure to acknowledge receipt of the written arguments of those parties, the substance of their arguments was addressed in the Response.

Yours truly,

WeirFoulds LLP
