## Decision and Order

TFS Energy Solutions, LLC filed an application on August 30, 2018, with the Ontario Energy Board (OEB), pursuant to Section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for an agent only electricity retailer licence. The granting of this licence would enable the applicant to act as an agent or broker for a retailer with respect to the sale or offering for sale of electricity in Ontario.

This Decision and Order is being issued by the Delegated Authority, without a hearing, pursuant to Section 6 of the OEB Act.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds it to be in the public interest to issue an agent only electricity retailer licence to TFS Energy Solutions, LLC under Part V of the OEB Act.

### IT IS ORDERED THAT:

1. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
