Ms. Walli:

**RE: EB-2018-0165 Application by Toronto Hydro-Electric Systems Ltd.
Intervenor Request Letter**

Norman David Hann P. Eng. a rate payer in the City of Toronto wishes to apply for intervenor status in the EB-2018- 0165 proceeding, the application by Toronto Hydro-Electric Systems Ltd. to the Ontario Energy Board for an order or orders for approval of rates and other charges beginning January 1, 2020 and ending December 31, 2024.

Statement of Interest

Norman Hann is a Toronto Hydro rate payer with 35 years experience in the Distribution and Transmission Electrical Industry promoting the efficient design and delivery of electricity through both distribution and transmission assets. This experience provides a background that will assist the Board in their decision making process for this application.

Norman Hann will focus on the following parts of the application: revenue requirement for the 2020 base year, including all elements of rate base, operations, maintenance and administration practices and costs; proposed programs and services; forecast of capital expenditures, operational performance and benchmarking; and cost allocation and rate design.

Intervention

Given the size and complexity of the application, Norman Hann would like to see an oral hearing take place. If a hearing takes place, Norman Hann plans to be present at and ask questions at the hearing. Norman Hann plans to be a full-time intervenor.

Costs

Norman Hann is a private citizen and will be spending a large amount of time expertly reviewing the 4000 plus pages of the application and participating in the hearing as an analyst with 20 plus years of experience. Norman Hann intends to seek a cost award in this proceeding, and expects to intervene responsibly, aware of the Board's guidelines regarding cost awards.

Communications

Communications relating to this Intervenor Request Letter, including but not limited to all documents filed with the Board by the applicant and required by Norman Hann, should be directed to:
