Dear Ms. Walli:

**Re: EB-2018-0243 Application by Ontario Power Generation Inc. – Deferral and Variance  
Accounts/2019 Hydroelectric Payment Amount**

On November 22, 2018, on behalf of the Consumers Council of Canada I sent an e-mail setting out the areas where our questions will be focussed at the Technical Conference that will be held on November 29, 2018 for the above-referenced proceeding. We will have questions that relate to OPG's proposals for recovery of the amounts in the accounts, but not the amounts, with one exception. We will have questions regarding the treatment of the pension and OPEB amounts.

We have been asked by the Ontario Energy Board Staff to set out our areas of interest in a letter rather than an e-mail. We apologize for any inconvenience this may have caused.

Yours truly,

*Julie E. Girvan*
