Dear Ms. Walli:

Re: Board File No.: EB-2018-0257
Hydro One Networks Inc. - Section 92 - Côté Lake Mine Connection Project
Independent Electricity System Operator - Intervention Request

The Independent Electricity System Operator ("IESO") is in receipt of the Ontario Energy Board's ("OEB") Notice of Application and is writing to request intervenor status in the above noted proceeding.

The IESO is responsible for maintaining the security and reliability of electricity supply in Ontario and for directing the operations of the IESO-controlled grid. The IESO also has the mandate to ensure the adequacy and efficiency of electricity supply in the province through planning of electricity supply and demand.

The IESO has a direct interest in this proceeding as an IESO System Impact Assessment has been provided as evidence in the application as Exhibit F-1-1, Attachment 1.

The IESO will not be seeking cost awards and asks that all correspondence be addressed to Maia Chase, Senior Regulatory Advisor, at 905-403-6906 or by email at RegulatoryAffairs@ieso.ca.

Yours truly,

Devon Huber
Senior Manager, Regulatory Affairs
