

ONTARIO ENERGY BOARD

IN THE MATTER OF the Ontario Energy Board Act, 1998, S.O. 1998, c.15 (Schedule. B);

AND IN THE MATTER OF an Application by Enbridge Gas Distribution Inc. and Union Gas Limited (amalgamated as Enbridge Gas Inc. January 1, 2019), pursuant to section 36(1) of the *Ontario Energy Board Act, 1998* (“OEB Act”) for an order or orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of gas as of January 1, 2019.

**NOTICE OF INTERVENTION
OF THE
SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
1. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:
<http://www.rds.oeb.ca/HPECMWebDrawer/Record/589545/File/document>
2. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Issues to be Addressed

3. SEC’s intended participation will focus on the following issues:
 - a. The proposals of the Applicant for 2019 rates, and the consistency of those proposals with the Board’s EB-2017-0306/7 Decision;
 - b. The calculation and treatment of pass-through items;
 - c. The request for interim rates and the proposed schedule for filing full evidence, including consistency of the request with Board practice, and potential impact of the request on future interpretation of Board policy;
 - d. The proposed treatment of deferral and variance accounts;
 - e. Any issues that arise in the evidence not yet filed; and
 - f. Generally to represent the interests of school boards and their students in this process.

The Intervenor's Intended Participation

4. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral

hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order.

Nature of Hearing Requested

5. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.
