Dear Ms. Hughes:

**Re: Energy+ Inc. (Energy+)  
Application for Rates  
OEB File Number EB-2018-0028**

On November 15, 2018, the Ontario Energy Board (OEB) received a request from Energy+ for an extension of time to allow parties to continue in their efforts at trying to reach a settlement on some or all the issues. A second request was received on November 23, 2018 for another extension of one week. In each case, the OEB granted the extensions.

The OEB would like parties to be mindful of the extra time given to date and that any further delays in the settlement process will have an impact on the scheduling of the remaining procedural events (e.g. presentation of a settlement proposal or hearing).

The OEB would appreciate Energy+ providing an update on the settlement process as soon as possible.

Yours truly,
