Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: Hydro One Networks Inc.  
2018 Transmission Revenue Requirement and Charge Determinants  
Reconsideration of Future Tax Savings Issue  
Board File Number EB-2018-0269**

On November 6, 2018, the OEB issued Procedural Order No. 1 (PO#1) in this proceeding. PO#1 established, among other things, that OEB staff and intervenors were required to file any submissions with the OEB with respect to matters related to the tax savings issue and forward them to all parties by December 4, 2018.

This is to advise the OEB that within the parameters established by PO#1, OEB staff has no further comments to make on these matters beyond those already made in prior related submissions. These are the OEB staff submissions on: (1) the Hydro One 2017-2018 transmission application<sup>1</sup> and (2) the subsequent Hydro One motion to review the tax savings issue findings arising from this application and other matters.<sup>2</sup>
