

ONTARIO ENERGY BOARD NOTICE

Union Gas Limited has applied to the Ontario Energy Board for approval to construct approximately 10.8 kilometres of natural gas transmission pipeline and associated facilities in the County of Oxford and the County of Perth.

Learn more. Have your say.

If approved, the proposed natural gas transmission pipeline would run along the public road allowance on 41st Line from the Beachville Transmission Station in the County of Oxford to a new proposed valve site to tie into an existing pipeline located near the intersection of 41st Line and Perth-Oxford Road, as shown on the map below.

The construction of the proposed pipeline will allow Union Gas Limited to serve the growing market in the counties of Huron, Lambton, Perth, Bruce and Middlesex.

Union Gas Limited is also asking the OEB to approve the form of Temporary Land Use Agreement it offers to landowners to use their land for construction of the proposed pipeline.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas. During the hearing, we will question Union Gas on the case. We will also hear questions and arguments from individual consumers, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to approve the application.

As part of its review of this application, the OEB will assess Union Gas' compliance with the OEB's Environmental Guidelines for the Location, Construction and Operation of Hydrocarbon Pipelines and Facilities in Ontario.

The OEB advises Indigenous communities that the OEB's process for this application may serve as a component of the Crown's duty to consult for this project.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
