Dear Ms Kirsten Walli

Re: OEB File EB-2018-0082

I just received an email from [REDACTED], a journalist at the Goderich Signal Star.

I will quote the final sentence from [REDACTED] email to me - "The Town has made it clear to me they will not comment on the information you have provided, as there are still negotiations / terms being figured out".

What new negotiations / terms?

If this concerns Erie Thames Powerlines, the "No Harm Test" includes public transparency.
