Hello Jim,

[REDACTED] passed on your most recent email to [REDACTED]

I would love to print your information as a Letter to the Editor, but I really need every fact, number and \$\$ sourced. Can you provide the sources for the information you want to have in your letter? I can then check that information out as factual, and print it as a concerned citizen/letter to the editor.

The Town has made it clear to me they will not comment on the information you have provided, as there are still negotiations/terms being figured out.

Thanks for your time,

[REDACTED]

Hello [REDACTED]

Haven't heard anything about my letter and chart. Did I miss something?

FYI

The OEB has not approved the amalgamation yet. ERTH Corp and Goderich Hydro must be concerned.
December 31, 2018 is
the deadline for a tax credit on a Ontario LDC transaction (over \$ 2,000,000.)

Thanks Jim

Hi James,

It was a pleasure to meet you yesterday!

I don't think we will be able to print the letter and chart in next week's paper. Our legal department is looking into it though as we must be vigilant in what and how we publish. PostMedia has protocols in place and takes it's responsibility and liability very seriously.

I am sorry I didn't catch this yesterday, but I didn't actually read any of it until later.

I have also passed it on to our Editor though, and [REDACTED] will be contacting you as well. Perhaps if you did it more as an opinion piece, we could publish it.

Thanks so much,
