**Re: Independent Electricity System Operator  
2019 Expenditure and Revenue Requirement Submission - Interim Fees**

The Independent Electricity System Operator (“IESO”) is writing to request approval that its 2018 usage fees be made interim from January 1, 2019 until the end of the month in which the IESO receives Ontario Energy Board approval of its 2019 usage fees. The IESO’s OEB-approved 2018 usage fees are \$1.2402/MWh for domestic customers and \$1.0115/MWh for export customers.<sup>1</sup>

The IESO will file its 2019 Revenue Requirement Submission in which it will propose 2019 usage fees, after the Minister approves its 2019-2021 Business Plan.

Sincerely,
