**Re: Board File No. EB-2018-0048
Kitchener-Wilmot Hydro Inc. - Licence No. ED-2002-0573
Application for Approval of 2019 Electricity Distribution Rates**

Dear Ms. Walli:

On December 7, 2018, the Ontario Energy Board (“OEB” or the “Board”) issued a draft Decision on KWHI’s IRM application. KWHI has compared the Draft Rate Order to the IRM rate generator.

KWHI notes that the tariff sheet in the IRM rate generator does not include the updated pole attachment rate, or the DVA rate rider for the embedded distributor effective January 1, 2019. However, these omissions are corrected in the Draft Rate Order. Therefore, KWHI confirms the Draft Rate Order as correct.

Contact the undersigned should you require any further information.

Respectfully submitted,
