Dear Ms. Walli:

**Re: Ontario Power Generation Inc.  
Application for 2019 Hydroelectric Payment Amount Adjustment and  
Clearance of Deferral and Variance Account Balances  
OEB File Number EB-2018-0243**

In accordance with Procedural Order No. 1 (PO1), OEB staff advises the OEB that parties have not come to an agreement regarding an issues list for OPG's application.

As directed in PO1, OPG, OEB staff and the intervenors reviewed OPG's draft issues list as filed in its initial application<sup>1</sup> as a starting point to develop a proposed issues list. Suggestions were made for changes to this list; however, no agreement was reached among the parties.

Yours truly,
