December 12, 2018

Ms Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2700  
Toronto, Ontario, M4P 1E4

Dear Ms Walli:

**Re: EB-2017-0129 - Enbridge Gas Distribution Inc. – Framework for the Assessment of Distributor Gas Supply Plans – Comments on Cost Claims**

Enbridge Gas Distribution Inc. (“Enbridge”) reviewed cost claims submitted by the Canadian Biogas Association (“CBA”), Consumers Council of Canada (“CCC”), Federation of Rental-Housing Providers of Ontario (“FRPO”), Industrial Gas Users Association (“IGUA”), London Property Management Association (“LPMA”) and School Energy Coalition (“SEC”) for the above noted proceeding and has no specific concerns.

Enbridge has also reviewed a letter submitted by the Vulnerable Energy Consumers Coalition (“VECC”) dated December 7, 2018 seeking eligibility for cost awards in this proceeding. Though VECC’s request deviates from the direction outlined in the Board’s April 12, 2018 letter, Enbridge has no concerns with an award of costs to VECC in this proceeding provided that costs are within the Board’s prescribed guidance of a maximum of 10 hours.

Enbridge awaits the recommendations and or cost awards of the Board with respect to these cost claims.

If you have any questions, please contact the undersigned.

Yours truly,

(Original Signed)

Brandon Ott  
Technical Manager, Regulatory Applications
