Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

RE: EB-2017-0129 - Union Gas Limited – Framework for the Assessment of Distributor Gas Supply Plans – Comments on Cost Claims

Union Gas Limited (“Union”) reviewed cost claims submitted by the Canadian Biogas Association (“CBA”), Consumers Council of Canada (“CCC”), Federation of Rental-Housing Providers of Ontario (“FRPO”), Industrial Gas Users Association (“IGUA”), London Property Management Association (“LPMA”) and School Energy Coalition (“SEC”) for the above noted proceeding. Union has reviewed these cost claims and has no specific concerns.

Union also reviewed a December 7, 2018 letter submitted by the Vulnerable Energy Consumers Coalition (“VECC”) requesting eligibility for costs. Should the Ontario Energy Board (“the Board”) consider granting cost eligibility to VECC, Union would have no further comments provided any cost claim submitted by VECC is consistent with the guidelines set out by the Board in this proceeding (maximum of 10 hours).

Yours Truly,
