Comments: Please continue on the back of the form if necessary. In making your comment, please consider telling us what you like and do not like about the application, what you think could be improved or what you think is missing. Please tell us how you are impacted by the requested changes.

This session was extremely disappointing. Neither the OEB or Toronto Hydro has any answers to questions. The first gentleman who gave a presentation had some excellent questions - the same questions that he had on a previous occasion. No answers were provided and he commented that he had never received answers to his previous questions. I strongly oppose the rate increases - nothing I heard tonight justified the increases.
