**Re: Report of the Ontario Energy Board: Framework for the Assessment of
Distributor Gas Supply Plans
OEB File Number EB-2017-0129**

The Ontario Energy Board (OEB) has received a letter dated November 20, 2018 from Enbridge Gas Distribution Inc. and Union Gas Limited requesting an extension to the January 1, 2019 filing deadline for the five-year natural gas supply plans.

The OEB grants the request and has established May 1, 2019 as the deadline for all rate-regulated natural gas distributors to file their five-year gas natural supply plans covering the period January 1, 2020 to December 31, 2024. The OEB looks forward to reviewing the plans at that time.

Yours truly,
