Dear Ms. Walli:

**EB-2017-0108: Application for certificates of public convenience and necessity for Norfolk County, the County of Elgin, and the County of Middlesex**

**Re: Request for Further Extension by EPCOR Natural Gas Limited Partnership**

On October 26, 2018, the Ontario Energy Board (the “OEB”) granted the requests of Union Gas Limited (“Union”) and EPCOR Natural Gas Limited Partnership (“EPCOR”) for an extension to file certain draft Certificates of Public Convenience and Necessity (Certificates) along with certain additional information including customer density maps required by the OEB’s Decision and Order dated October 11, 2018 (collectively, the “Materials”) by January 15, 2019.

Regrettably, due to unforeseen personal circumstances, EPCOR will not be in a position to deliver the Materials by January 15, 2019. EPCOR therefore requests a further extension for EPCOR (and Union) to deliver the Materials by **March 29, 2019**.

EPCOR is not aware of any harm or prejudice that would result from this further extension request. EPCOR would greatly appreciate this indulgence and looks forward to concluding this matter in the new year.

Please do not hesitate to contact me if you have any questions.

Yours very truly,

Patrick G. Welsh
