Dear Ms. Walli:

**Re: EB-2018-0242 Hydro One Inc. Purchase of Peterborough Distribution Inc.
Request for Intervenor Status**

I am requesting intervenor status for the above-mentioned hearing. I am one of many Peterborough residents who are opposed to the sale of Peterborough Distribution Inc. to Hydro One.

As a ratepayer in Peterborough since 1999, I am concerned with the potential increase in rates which would result from the sale of PDI. I am also concerned that the sale of a public asset has long-term effects on the sustainability of the community in which I live.

Sincerely,

Alison Davidson
