I do not want this sale to go through because of the harm it will do to my community and, as a Peterborough ratepayer, the harm it will do to my family.

Hydro One is known to offer substandard service at a higher price than our current supplier (PDI) and I anticipate an increased tax bill (for no justifiable reason) to pay for the higher rates charged to all of our publicly owned assets, which will do my family harm. I also anticipate harm to the current employees of PDI who will surely lose their jobs if this sale goes through (I do not believe assurances to the contrary).

Finally, losing local control of a vital public service (PDI) to a non-local corporate entity is not in the best interests of Peterborough.

Sincerely,  
Justin Sutton
