Ms. Kirstin Walli,  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street, 27th Floor,  
P.O. Box 2319  
Toronto, ON M4P 1E4

Dear Ms. Walli,

**Re: EB-2018-0242 – Hydro One Networks Inc. - Peterborough Distribution Inc. has applied for approval to amalgamate with Peterborough Utilities Services Inc.**

We are retained to act as counsel to Power Workers' Union.

By way of this letter, the Power Workers' Union ("PWU") is requesting Intervenor status in the Board's proceedings with respect to the above-noted application. I understand that this request is a day late. This matter only came to our attention. We apologize for the delay.

As the Board is aware, the PWU represents a large portion of the employees working in Ontario's electricity industry (including the employees of the Hydro One). Attached please find a list of PWU employees.

PWU members will be affected by the Board's decision because, in the event the application was approved, employees of Peterborough Distribution Inc. may fall under the PWU's representation.

The PWU is interested in this application because it seeks to ensure that the transaction, if approved, will protect the quality of electricity service received by customers of the acquired utility.

The PWU has retained Richard Stephenson of Paliare Roland for legal representation and Bayu Kidane and Kim McKenzie of Elenchus Research Associates as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
