RE: EB-2018-0242 - Notice of intervention of the Save PDI Coalition in the matter of the sale of Peterborough Distribution Inc. to Hydro One.

1. The Save PDI Coalition applies for intervenor status in the proceeding EB-2018-0242.
2. The Save PDI Coalition is a group of concerned citizens served by Peterborough Distribution Inc who tried to block the proposed sale by political means. This includes the 495 people who have signed our petition protesting the sale and these local groups who support the actions of the Save PDI Coalition: For Our Grandchildren, Leap Peterborough, Peterborough Greenspace Coalition, Council of Canadians, Transition Town Peterborough.
3. We intend to engage representation and to apply for recovery of costs reasonably incurred in the course of our intervention.
4. We intend to represent the interests of ordinary citizens and ratepayers who opposed the sale by over 90% in two extensive telephone polls taken in 2016.
5. We protest the substantial harm that will be done to PDI customers including increased costs, decreased service levels, and loss of local control and accountability.
