-- Comments --

Rates will increase. If the sale is approved year 11 substantial increases kick in.  
-several more line items to my bill and "riders" (other costs) can be added.  
-Local taxes will go up to pay for increased municipal hydro bills, meter reading, pole work etc.  
-lack of accountability - no more metrics, no more Ombudsman at your back.  
-Hydro One is the most expensive utility in Ontario; PDI ranked 4th in 2017.  
-Hydro One has one of the worst service records in Ontario, PDI one of the best -I do not want us to lose local control and accountability over our distribution utility
