Dear Mr. Stiers:

**Re: Applications for the Disposition of the Cap and Trade-related Deferral and
Variance Accounts for the period 2016-2018
OEB File Number EB-2018-0331**

In Procedural Order No. 2 dated January 18, 2019, the Ontario Energy Board (OEB) granted an extension to Union Gas Limited (UGL) to file supplemental evidence by February 21, 2019.

On January 18, 2019, the OEB received a letter from Enbridge Gas Inc. (Enbridge Gas) requesting the OEB to also grant an extension to Enbridge Gas Distribution Inc. (EGD) to file supplemental evidence by February 21, 2019 as Enbridge Gas wishes to file a single combined application and supplemental evidence for the EGD rate zone and UGL rate zones.

The OEB grants Enbridge Gas' request to file all supplemental evidence by February 21, 2019.

Yours truly,
