Pursuant to Procedural Order No. 2, issued on November 21, 2018, please find enclosed an electronic version of Toronto Hydro's Interrogatory Responses. Ten physical copies of the Interrogatory Responses will follow via courier.

Certain interrogatories requested excel or other data files. Where applicable, Toronto Hydro has provided these files with the filenames indicating the interrogatory to which they correspond.

In addition, a number of interrogatory responses contain confidential information. Under separate cover, Toronto Hydro requests that these responses be treated confidentially, pursuant to the OEB's Rules of Practice and Procedure and the OEB's Practice Direction on Confidential Filings.

Lastly, a number of interrogatories requested 2018 updated or actual results. In most instances, this information could not be provided because Toronto Hydro has not completed its year-end processes for 2018. The Applicant intends to provide 2018 financial and performance-related results in the application update. By February 13, 2019, Toronto Hydro will advise the OEB as to when the application update will be filed, in accordance with Procedural Order No. 2.

Please contact me directly if you have any questions or concerns.

Respectfully,
