## Decision and Order

Dynergy Energy Management Inc. filed a complete application on November 29, 2018 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for a unit sub-metering licence renewal. The licence would allow the applicant to continue providing unit sub-metering services to consumers in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the application and issue a unit sub-metering licence to Dynergy Energy Management Inc.

### IT IS ORDERED THAT:

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
