Dear Ms. Walli:

Rates and Charges – Interrogatory Response Update
OEB File No. EB-2018-0165**

On January 21, 2019, Toronto Hydro filed its interrogatory Responses pursuant to the OEB's Procedural Order No. 2. In its filing, Toronto Hydro had inadvertently provided a document in the public version, Appendix A to the response to interrogatory 1B-AMPCO-4, which it had not intended to provide due to copyright restrictions. Toronto Hydro requests that this document be removed from the printed copies sent to the OEB on Friday, January 25, and is providing updated electronic versions with the interrogatory response updated and this document removed. For those intervenors receiving printed copies on Tuesday, January 29, please note that this document has already been removed.

Additionally, Toronto Hydro has been made aware that appendices to three of its interrogatory responses were not included in the January 21, 2019 submission. The following are being provided as part of this update:

- 2B-EP-35, Appendix A
- 2B-EP-43, Appendix A-D
- 3-VECC-25, Appendix B

For convenience, Toronto Hydro is also providing pdf copies of the following spreadsheets:

- 1B-AMPCO-7 (intervenor excel)
