Dear Mr. Buonaguro:

**Re: Request for intervenor status and cost eligibility
Combined Proceeding – Applications by Union Gas Limited (Union Gas)
and Enbridge Gas Distribution Inc. (Enbridge Gas) to clear 2016 balances in
certain Demand Side Management deferral and variance accounts.
Ontario Energy Board File Numbers: EB-2018-0300 and EB-2018-0301**

This is in response to your request for late intervenor status and cost eligibility submitted on January 17, 2019 on behalf of the Ontario Greenhouse Vegetable Growers (OGVG) in the referenced combined proceeding.

Due to an administrative error, the Ontario Energy Board (OEB) did not address OGVG's request as part of Procedural Order No. 1 dated January 21, 2019.

OGVG is approved as an intervenor and is eligible to apply for an award of costs under the Ontario Energy Board's *Practice Direction on Cost Awards*.

Pursuant to Procedural Order No. 1, intervenors were required to submit interrogatories by **February 4, 2019** and Enbridge Gas and Union Gas are required to submit their responses to the interrogatories by **February 19, 2019**. Although the date for submitting interrogatories has passed, the OEB is making provision for OGVG to submit late interrogatories. If OGVG wishes to submit interrogatories in relation to the evidence filed by Union Gas and Enbridge Gas, it must file its interrogatories with the OEB and serve a copy on Union Gas and Enbridge Gas, by **February 11, 2019**. If Enbridge Gas or

Union Gas require additional time to respond to the interrogatories of OGVG, they should inform the OEB by **February 19, 2019** and request an extension.

Yours truly,
