Dear Ms. Walli:

**Re: Energy+ Inc. (“Energy+”) 2019 Cost of Service Application;  
Board File No. EB-2018-0028; TMMC Responses to Technical Conference  
Undertakings and Revised Response to OEB Staff-TMMC-3; Request for Confidentiality**

We are writing on behalf of Toyota Motor Manufacturing Canada Inc. (“TMMC”) to file, in a sealed envelope marked “Confidential,” two hard copies of: (i) TMMC’s confidential and unredacted responses to Technical Conference Undertakings; and (ii) TMMC’s confidential and unredacted revised response to OEB Staff-TMMC-3. Redacted versions of these responses have been filed, through RESS, and unredacted confidential copies have been provided to all parties who have signed the requisite Declaration and Undertaking.

The confidential portions of TMMC’s responses to Technical Conference Undertakings and of TMMC’s revised response to OEB Staff-TMMC-3 include commercially sensitive information related to TMMC’s load profile (the “**Confidential Information**”). The public disclosure of this information would adversely affect the economic and/or competitive interests of TMMC, potentially resulting in undue financial harm. Accordingly, TMMC requests that the Confidential Information be held in confidence and not included in the public record of this proceeding.

Yours very truly,

Dentons Canada LLP
