DECISION AND ORDER

Planet Energy (Ontario) Corp. (Planet) filed two separate applications on December 17, 2018, with the Ontario Energy Board (OEB) pursuant to section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) to amend its electricity retailer licence ER-2016-0385 and its gas marketer licence GM-2018-0151. The OEB has combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act.

Planet requested to amend each licence to add certain trade names to Schedule 1 of its licences. Specifically, the applicant requested to add the ReliaBILL Electricity trade name to Schedule 1 of its electricity retailer licence; and to add the ReliaBILL Natural Gas trade name to Schedule 1 of its gas marketer licence. The applicant stated that the purpose for the amendments is Planet's intention to market its energy products under these trade names. There are no other changes requested to the licences. All other provisions remain the same.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6 of the OEB Act.

The OEB considered the applications and, given that there is no change in any other respects to the licensed entities, finds that it is appropriate to amend the licences to add the requested trade names.

IT IS ORDERED THAT:

1. Schedule 1 of Planet Energy (Ontario) Corp.'s electricity retailer licence ER-2016-0385 is amended to add the ReliaBILL Electricity trade name. The amended licence is attached to this Decision and Order.
2. Schedule 1 of Planet Energy (Ontario) Corp.'s gas marketer licence GM-2018-0151 is amended to add the ReliaBILL Natural Gas trade name. The amended licence is attached to this Decision and Order.
